FROM THE MANAGER

Welcome to the officials, players and supporters of Yateley United for this Cherry Red Records Combined Counties League Division One match along with the referee Ali Matour and his assistants Simon Cudner and Luke Partington.

Tuesday night saw us take our first points of the season at home to FC Deportivo Galicia. So far this season, we have played some good football in spells and just lacked a clinical edge with some naive defending that has cost us results. The match against Galicia was our overall best performance of the campaign so far, coming away with a 6-2 win. Our goals came from Efraim Ngugi with five taking his total to six so far this season and Mo Ali with the other. The lads really deserved the three points as they have been working hard throughout pre-season and in training so far this campaign.

Lester and Chris have been working closely with the players and implementing our playing style, so it was also pleasing that we were able to show off their hard work also. I would also like to congratulate Martin and Matt our reserve team management on their result Saturday taking all three points in the first game of the season, we wish them well going into their next fixture.

I would like to say a special congratulations to Isaac Adeyemi on his engagement to his fiancée Natalia. We wish them all the best and can't wait for the stag do

As we are a new squad with a lot of new faces who you may not know, the management team and I, echoed by the players, are always open to you to come over for a chat and get to know us all.

I, Chris, Lester, James, Hasan, and the players would like to say big thank you for your continued support which helps drive us on. We hope you enjoy today's game.

BROOK HOUSE NEWS

Brook House will be playing their opening Isuzu FA Vase tie in August - on the Saturday of the Bank Holiday weekend.

Normally this competition does not begin until September.

Although it looks a tough test on paper, Brook House have been handed a home tie.

It is against Wallingford & Crowmarsh, who are in the Cherry Red Records Combined Counties League Premier Division North.

Technically, they are a side that Brook House have met before in their AFC Hayes guise.

It was in the 2021-22 season but our Vase opponents were then known as Wallingford Town.

They will be remembered as being the draw specialists as they recorded 13 draws from their 40 games as they finished third in the Cherry Red Records Combined Counties League Division One.

At the end of that season, Wallingford Town merged with Crowmarsh Youth to become Wallingford & Crowmarsh.

Wallingford & Crowmarsh have already had success in the Extra-Preliminary round of the Emirates Cup when they clinched a 3-1 away win against Chalfont St Peter.

The winners of this Isuzu FA Vase tie will be away to Hilltop.

BROOK HOUSE RESERVES

SURBURBAN FOOTBALL LEAGUE 2022-23

In years gone by, most clubs fielded a reserve team and there were recognised second-team league - for example London's Capital League.

This League was a very respected competition in the 1970s, if not earlier and it was still in existence in the 1990s. It certainly had a purpose allowing youngsters to force their way into their club's first team.

Also, you would have some more experienced campaigners looking for game time after injury. The structure for football below the first-team level has certainly changed in the 21st century.

For instance, there are very few reserve team leagues - the Surburban Football League may be the only one locally.

However, looking at the composition of the Surburban Football League, there are very few reserve sides although Brook House has one of them.

Looking through the three divisions - Premier, North and Central, there is certainly a modern-day feel.

For example, many of the sides have either Under-23s or Development after their club name.

PREMIER DIVISION

Aldershot Town (SUB FL)

Cobham Under-23s
Farnham Town Under-23s

BROOK HOUSE RESERVES

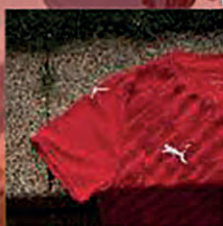

Under a new joint management team of Matt Lynn and Martin McLaughlin, Brook House Reserves got off to an almost perfect start with a 5-2 victory over Marlow Under-23s.

Joe Ringer celebrated a hat-trick while substitute William Okine-Peters scored twice. Brook House Reserves are away on 26th August against Aylesbury Vale Dynamos Under-23s.

CCL DIVISION ONE PREVIEW

A certain Jimmy Greaves once said that football is a funny old game.

This is certainly the case with the match between Brook House and FC Deportivo Galicia. With both teams having disappointing starts to their Cherry Red Records Combined Counties League Division One season and going into the encounter with no points, one would have expected a tedious 0-0 draw.

In fact, it was the complete opposite on Tuesday evening when Efraim Ngugi went beserk and blasted home five goals with Mohammed Ali getting the other in the 6-2 victory.

Molesey continued their fine start to the season when they bagged a 2-1 victory at Spartans Youth. The visitors' goals came from Blessing Hombessa and Saad Haidous. Lewis Davis had equalised for the home side.

Newcomers Yateley United suffered their first loss of the campaign when they went down 2-0 to Bedfont. Our opponents today

VISITING THE BROOK

YATELEY UNITED

Newcomers Yateley United were left without a manager after Thames Valley Premier League title-winning boss Kevin Fitzmaurice moved into a new role at the club.

The North Hampshire side won the TVPL with relative ease, winning all 20 games and in the process earned promotion to the Combined Counties League Division One with the club's Sean Devereux Park ground deemed up to scratch by the FA.

Fitzmaurice has stepped into a Head of Player Development role at the club while Sam Wilson has been appointed to lead the side's assault on the Cherry Red Records Combined Counties League for 2023-24.

Wilson has previous experience in the dugout with Fleet Town and Ash United. He was with the former as first team coach at the start

of last season who he joined after a spell managing Ash in the Wessex League.

Yateley United. was formed in 2013 through a merger of four local clubs: Yateley, Yateley Green, Yateley Youth and Beaulieu.

Yateley United took Yateley Green's place in the Surrey Elite Intermediate League, but dropped down to the Surrey County Intermediate League (Western) in 2017. After one season, they moved to Division Two of the Hellenic League. In 2021, they joined the Thames Valley Premier League, and in 2022-23, won the league with a 100% record.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

Barely 90 minutes (or should that be 110) into the new season and already football has found itself in the centre of a new storm.

Strict instructions from the International Football Association Board (IFAB) to get tough on time wasting and tot up the exact minutes for substitutions, goal celebrations, injuries etc have gone down like a lead balloon among the professional game with stars such as Manchester City's Kevin De Bruyne and Manchester United defender Raphael Varane fearing that player welfare is at risk.

In the EFL on the opening day of the season, the average time added on was over 16 minutes, but for National League players, the need for compromise is all the more important.

Clearly unaware of the storm that was to follow, National League clubs voted against increasing the number of substitutes used from three to five in the AGM of 2022, and again this summer.

As it stands, Steps One to Four can only make three changes while Step Five and Six clubs are in line with the higher reaches of the game in being allowed five, in three windows.

In retrospect, by voting against an increase in subs, the National League clubs have made their bed, so to speak, but in last Sunday's NLP, Chorley manager Andy Preece, Eastleigh boss Lee Bradbury and Dorking Wanderers striker Jason Prior all expressed the need for a rethink, and the opportunity to vote again – this time with the benefit of hindsight.

"If you're going to play an extra 20 minutes a game then our levels have to wake up," the vastly experienced Preece told us. "Premier League players are moaning but they've got five subs. We've only got three. I don't get it anyway, but now I really just do not get it. It will lead to injuries. You're going to have to

change the way you train so that players last that bit longer.

"But you can't just do that. You've got to have a long-term strategy with planning through pre-season. I just think for this season it could be dangerous for the players and put extra stress on them. With three subs you don't have that chance to take players off and rest.

"When it's Saturday-Tuesday, that's when you're going to see the difference. If you're effectively playing another half of football in a few days it's going to take its toll. We've got to change it so that five subs can come on.

"The Premier League lads have got everything at their disposal — sports scientists and all things like that. If they're talking about it and they're worried about it, what chance have we got with only three subs?

"The sooner they look at it and do it, the safer it will be, the better it will be.

"It's something that needs to be addressed as quickly as possible. If it's five from five and that helps with budgets then so be it. Ideally it would be five from seven but I just think you need to have five. We have to protect our players."

The National League has the power to bring this level of football in line with the rest, if that's what their member clubs desire this time. Whatever they decide, however, it's highly unlikely that the constitution will change mid-season.

That then leaves the onus with the players on the pitch and the matter at hand...time wasting. The IFAB directive has been brought in for a reason so, ultimately this season, players and managers are just going to have to wear it and get on with it!
