# FROM THE MANAGER

Welcome to the officials, players and supporters of London Samurai Rovers for this Cherry Red Records Combined Counties League Division One match along with the referee Jake Martin and his assistants Paul Savva and Ivan Yordanov.

With an up-and-down week so far brings us to our third game in six days. Tuesday night saw us go down 5-1 to Bedfont, where a mad first 15 minutes cost us three goals from not defending and making mistakes in and around our box. Bedfont capitalised on these mistakes and punished us. We played well after this, but we were not able to put our chances away in the game.

Saturday saw us take on Step Five side Wallingford & Crowmarsh in the Isuzu FA Vase First Qualifying Round, where a 2-0 win was enough to see us through. A big difference in Saturday's game was the approach. I felt the lads wanted to put Tuesday night's result behind them and put in a shift in which they did not disappoint. This was our best performance of the season. We were solid across the pitch and each player worked hard. Nikolay Rusev was given the man of the match award. He was strong throughout and also went up front in the last few minutes and managed an assist for our second goal, so a big well done to him. It was hard to pick a man of the match with the quality of each player being so high.

I would also like to mention the lads who were not selected and didn't get off the bench. We are a squad and without everyone pulling together, we would not get a result like Saturday's.

Today, we turn our heads to this league fixture, our bread and butter. We have not been as consistent as we would like but myself, Chris, Lester and Jim feel we are slowly getting there and we will get more consistent performances and results. We hope you look forward to today's game and continue to support the lads.

## BROOK HOUSE RESERVES

### SURBURBAN FOOTBALL LEAGUE 2022-23

In years gone by, most clubs fielded a reserve team and there were recognised second-team league - for example London's Capital League.

This League was a very respected competition in the 1970s, if not earlier and it was still in existence in the 1990s. It certainly had a purpose allowing youngsters to force their way into their club's first team.

Also, you would have some more experienced campaigners looking for game time after injury. The structure for football below the first-team level has certainly changed in the 21st century.

For instance, there are very few reserve team leagues - the Surburban Football League may be the only one locally.

However, looking at the composition of the Surburban Football League, there are very few reserve sides although Brook House has one of them.

Looking through the three divisions - Premier, North and Central, there is certainly a modern-day feel.

For example, many of the sides have either Under-23s or Development after their club name.

### NORTH DIVISION

Aylesbury Vale Dynamo Under-23s  
Brook House Reserves  
CB Hounslow United Under-23s  
Chalfont St Peter Under-23s

# ISUZU FA VASE REVIEW

## Brook House pulled off one of the upsets in the First Qualifying Round of the Isuzu FA Vase.

After a disappointing result in midweek when they went down 5-1 at home to Bedfont in the Cherry Red Records Combined Counties League Division One, The Brook produced their best performance of the season to clinch a 2-0 home victory over CCL Premier North side Wallingford & Crowmarsh.

It was an outstanding team performance but Nicolay Rusev produced a big effort in defence and also in attack during the closing stages.

Brook House will be travelling to CCL Premier Division North side Hilltop in the Isuzu FA Vase Second Qualifying Round on Saturday 23rd September.

It was not the best of days for Molesey as they went down 3-2 at home to Southern Counties East outfit AFC Whyteleafe.

Molesey then learnt that Amersham Town went to the top of the CCL Division One after their 6-1 victory over Hillingdon Borough.

FC Deportivo Galicia had a notable 7-3 victory at Long Buckby while Rising Ballers Kensington battled to a 3-1 success at home to Spelthorne Sports. Westside managed a 2-1 home win over Faversham Strike Force.

Holmer Green crashed out losing 9-0 to Spartans South Midlands side Milton Keynes Irish.

# VISITING THE BROOK

## LONDON SAMURAI ROVERS

London Samurai Rovers was formed in the summer of 2018 when two Japanese heritage football clubs, London Samurai United and JL Rovers, decided to merge in order to progress to the next level.

London Samurai boasts a large academy system based in North Acton, ranging from Under-sixes to Under-17s, whose ambassador is Japanese international captain Maya Yoshida.

The two Samurai vice-principals are Japanese internationals Takehiro Tomiyasu of Arsenal and Takumi Minamino of AS Monaco. The Football Samurai Academy mixes Japanese boys and girls with players from the local community aiming to create a diverse and inclusive environment.

There is a proven pathway into the first team with several successful graduates in recent years still playing in the first team squad.

The club also has a Sunday team, playing in the Middlesex Sunday Division Three North, which has been another pathway into the first team squad and gives players an extra chance to gain experience playing adult football.

After the merger, London Samurai had great success on the pitch, going on a 14-game unbeaten run, which included a 12-game winning streak, with ten clean sheets, which left Samurai on top of the Middlesex Division One.

The club has progressed to the Cherry Red Records Combined Counties League.

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

*In Saturday's programme for the Isuzu FA Vase First Qualifying Round tie against Wallingford & Crowmarsh, Non-League Paper's Matt Badcock outlined the new FA ground grading initiative.*

*The article is concluded in today's programme noting the opening paragraphs have been repeated.*

**A sunny weekday morning, a little before 9.30am and a corner kick away from Wembley Stadium, Hanwell Town are opening up their ground for assessment.**

It's part of the intensive drive to look in depth at all Step Three to Six grounds in the National League System by the end of October, with National League clubs to get the same treatment later in the season.

The NLP has been invited along to see what we'd traditionally know as a ground grading in action.

Launched at the end of July, the FA and Premier League have joined forces to launch the Stadium Accreditation Programme.

For the first time since ground grading was introduced over 15 years ago, the process has been digitalised with a new tool called StadiumPower.

Think of this process as a giant audit of non-league grounds to essentially answer the questions: What have we got? Where are the challenges and areas of need? And, crucially, how can funding be best utilised?

With the app, photos and videos can now be taken and instantly uploaded to give a literal picture of what each ground has. A key part of this fact-finding information will link into those extras. The FA can get an idea of suitable ground stock for England youth games as well as to aid the exploding growth of women's football to help clubs get permanent bases.

Likewise, it will help the FA Competitions team at Wembley HQ with their planning. Women's Super League games require an anti-doping room. Is there one available? It all goes into the app.

An important note, nothing in respect to the actual grading criteria has changed. But the in-depth collection of data will be reviewed by The FA's now monthly-meeting Stadium Accreditation Sub Committee.

"It may well be that arising from this first round of inspections that it actually highlights some changes we may need to think about making to criteria going forward," Harris says.

StadiumPower will allow clubs to keep tabs on their own improvements, give transparency on other clubs and there will be a public-facing element so the everyday fan can see what facilities they may attend.

Another feature of the app will be a stadium simulation tool where a club can, at the click of a button, see what work is required should they be promoted to the level above.

"This is about trying to move the mindset from compliance to opportunity," Harris says. Nearly three hours on and there are still areas to be looked at, measured and photographed.

But it's another one ticked off the list with the vision for a stronger non-league game at the end of it.
