FROM THE MANAGER

Welcome to the officials, players and supporters of Amersham Town for this Cherry Red Records Combined Counties League Division One match along with the referee Harry Cowell and his assistants Tom Flanagan and Mourad Bougouizi.

I would like to start off by thanking everyone for their support over the past few weeks. Since coming in this season, myself and the coaching staff have been working tirelessly to implement our philosophy on the current squad and we are slowly making progress with this.

We have have played some very good football at times and we look a threat going forwards scoring some good goals. Defensively we have been more up and down and made some errors as a team which have seen us leak goals. Overall, we are more than happy with the team and the heart and desire they have shown plus the willingness to learn. We are a young squad and we know we can keep pushing and developing as a team and the results will follow. A good result in the FA Vase saw us win 2-0 against Step Five Wallingford & Crowmarsh, which was our best overall performance. Our league form has been hit and miss this season so far, in which we have come out of games with nothing when we felt we should at least had a point. Poor performances against London Samurai Rovers and Penn & Tylers Green added to a bad week for us but we will move on from this and look for more positive results to come.

Myself and the first team management team are working closely with the reserves team management of Martin and Matt along with the new Under-18s manager Carl McEwen to ensure that we have a pathway into men's senior football. We like to say a big well done to the reserve team winning three from three in their season so far, keep up the good work lads. We would also like to welcome Alan Pines who is the manager of the new women's senior side at the club and we wish him and the ladies a successful season ahead.

Myself Robert Russell, Chris, Lester, James, Hasan, and the players would like to say big thank you for your continued support which helps drive us on. We hope you enjoy today's game.

CCL DIVISION ONE REVIEW

A former Farm Park favourite Harry Bishop was among the goal scorers as Amersham Town cemented their position at the top of the Cherry Red Records Combined Counties League Division One when they defeated British Airways 4-0 last weekend.

Bishop was a regular with AFC Hayes before they were renamed Brook House.

Jake Tabor managed to score twice for the former Spartans South Midlands League club while Harley Sells was also on the scoresheet.

Although they suffered an early-season defeat to Berks County, Amersham Town have been able to take advantage of previous leaders Molesey's stuttering form. Molesey's latest setback was a 1-0 home defeat by Woodley United, for whom Connor Suckling scored the winner six minutes from time.

Rising Ballers Kensington suffered a surprise 3-0 home defeat against Yateley United where Adam Mills, Charlie Westell and Elliott Mitchell

were on target.

At the other end of the table, Brook House experienced a 2-0 loss at Penn & Tylers Green with the hosts' goals coming from Adam Crocker and Kasper Kloc.

It was not a good afternoon for Brook House as their struggling rivals managed to pick up points with lowly Bagshot snatching a late equaliser through Louis Hamilton to secure a 2-2 home draw with Westside,

Tanel Ayvaz helped London Colney to a 1-0 win over Windsor to move them out of the relegation zone.

VISITING THE BROOK

AMERSHAM TOWN

Two Amersham Town players will be returning to familiar surroundings when they face Brook House this afternoon.

Defenders Harry Bishop and Austin Schofield spent time at Farm Park when we were known as AFC Hayes.

Amersham Town were switched to the Cherry Red Records Combined Counties League from the Spartans South Midlands League for this season. They have made a strong start to their season and are currently top of Division One.

Their only defeat came in their second league game when they went down 2-1 at home to Berks County.

Town have won all their other league matches, a 7-0 victory over London Samurai Rovers and a 6-1 triumph over Hillingdon Borough being their best results.

The club was formed in 1890 with the first meeting taking place at The Crown.

You can't beat a good feel-good story and Alex Fletcher's return to playing football certainly is one.

You may remember the 24-year-old was involved in a shocking incident last November while playing for the Romans against Dulwich Hamlet.

Fletcher collided with a perimeter wall during the game and had to be rushed to hospital where he spent five days in a coma.

Recovery has been long and arduous. He even had to learn how to walk again. But there were plenty of people in his corner with messages of support from across the game, including England manager Gareth Southgate and new Fulham signing Raul Jimenez, who himself suffered a serious head injury.

For us on the outside it's almost impossible to imagine what a tough period it has been for Fletcher.

We all read about the incident at the time, then heard of his recovery, but the hours away from the spotlight getting ready to come back with the support of his club must have gruelling. That's why it's so nice to see.

In last week's NLP, Fletcher told Bath City reporter — and NLP Step Two results guru — Mark Stillman about his road back to the pitch, one he was determined to make.

And he did just that a fortnight ago, coming on as an 85th-minute substitute for good

friend Cody Cooke. It was a poignant moment for Fletcher, his family and all at the National League South club.

"It was a bit emotional getting back out there," said Fletcher. "I can't really describe the words to say how it felt. It was goosebumps.

"I've played the situation so many times over in my head, just being here again. For it to finally happen felt surreal.

"The reception I got from everyone in the ground, including the Hampton players, meant so much to me.

"I've got over that hurdle. It's a massive milestone reached for me and now it's about building my minutes up but not rushing it, it's important for my body that I don't do that."

Jerry Gill's side have started the season well as they look for a return to Non-League's top flight.

Fletcher, who now wears a protective headband, added: "Hopefully I can start putting myself in contention for what's been a great start to the season though it might be tough as we've got such good attacking players, which can only be good for the team."

Good for Bath but also good for Alex. It's great to see him back doing what he loves.
