# FROM THE MANAGER

Welcome to the officials, players and supporters of Wallingford & Crowmarsh for this Isuzu FA Vase First Qualifying Round tie along with the referee Billy Morgan and his assistants Conor Browne and Angus McWhirter.

I would like to start off by thanking everyone for their support over the past three home games, which have seen us take four points from a possible nine. However, we felt six points should have been achievable.

Since coming in this season, myself and the coaching staff have been working tirelessly to implement our philosophy on the current squad and are slowly making progress with this. During the opening six games, we have played some very good football at times and we look a threat going forward scoring some good goals.

Defensively, we have been more up and down and made some errors as a team, which have seen us leak goals. Overall, we are more than happy with the team especially the heart and desire they have shown plus the willingness to learn. We are a young squad and we know if we can keep pushing and developing as a team, the results will follow.

Myself and the first team management team are working closely with the reserve's team management of Martin and Matt along with the new Under-18s manager Carl McEwen to ensure that we have a pathway into men's senior football. We also like to welcome Alan Pines, who is the manager of the new women's senior side at the club and we wish him and the ladies a successful season ahead.

I would like to say a special congratulations to Isaac Adeyemi on his engagement to his fiancée Natalia. Also a happy birthday to the twins Jacob and Isaac Adeyemi, who celebrated their birthday on Tuesday.

## BROOK HOUSE RESERVES

### SURBURBAN FOOTBALL LEAGUE 2022-23

In years gone by, most clubs fielded a reserve team and there were recognised second-team league - for example London's Capital League.

This League was a very respected competition in the 1970s, if not earlier and it was still in existence in the 1990s. It certainly had a purpose allowing youngsters to force their way into their club's first team.

Also, you would have some more experienced campaigners looking for game time after injury. The structure for football below the first-team level has certainly changed in the 21st century.

For instance, there are very few reserve team leagues - the Surburban Football League may be the only one locally.

However, looking at the composition of the Surburban Football League, there are very few reserve sides although Brook House has one of them.

Looking through the three divisions - Premier, North and Central, there is certainly a modern-day feel.

For example, many of the sides have either Under-23s or Development after their club name.

### NORTH DIVISION

Aylesbury Vale Dynamo Under-23s  
Brook House Reserves  
CB Hounslow United Under-23s  
Chalfont St Peter Under-23s  
Flackwell Heath Development  
Hartley Wintney Reserves  
Marlow Under-23s  
Tring Athletic Under-23s  
Wokingham & Emmbrook Reserves

### BROOK HOUSE RESERVES

**Under a new joint management team of Matt Lynn and Martin McLaughlin, Brook House Reserves got off to an almost perfect start with a 5-2 victory over Marlow Under-23s.**

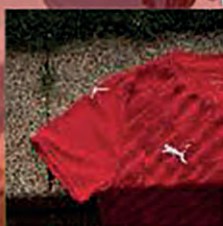

**Joe Ringer celebrated a hat-trick while substitute William Okine-Peters scored twice.**

**Brook House Reserves are away this afternoon against Aylesbury Vale Dynamos Under-23s.**

# CCL DIVISION ONE PREVIEW

Molesey continue to steal the headlines as they kept up their 100 per cent record in the Cherry Red Records Combined Counties League Division One with a 2-1 victory on Tuesday at Hillingdon Borough, who have made a solid start to their campaign.

Deji Alabi gave Molesey the lead after three minutes and this was extended by Roy Gayle in the 25th. Maniang Niang reduced the deficit three minutes before half-time.

Another strong contender for promotion, Amersham Town bagged an impressive 7-0 victory over London Samurai Rovers.

Today sees some intriguing Isuzu FA Vase First Qualifying Round matches.

Yateley United are hosting a Shortwood United that a few years ago entertained English Football League side Port Vale in the Emirates FA Cup while Molesey are at home to AFC Whyteleafe.

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

**A sunny weekday morning, a little before 9.30am and a corner kick away from Wembley Stadium, Hanwell Town are opening up their ground for assessment.**

It's part of the intensive drive to look in depth at all Step Three to Six grounds in the National League System by the end of October, with National League clubs to get the same treatment later in the season.

The NLP has been invited along to see what we'd traditionally know as a ground grading in action.

Launched at the end of July, the FA and Premier League have joined forces to launch the Stadium Accreditation Programme.

For the first time since ground grading was introduced over 15 years ago, the process has been digitalised with a new tool called StadiumPower.

Think of this process as a giant audit of Non-League grounds to essentially answer the questions: What have we got? Where are the challenges and areas of need? And, crucially, how can funding be best utilised?

"Up until now, although many will be surprised at this, there has been no central database capturing not just facility information but also the nuances around it," Mark Harris, chairman of The FA's Stadium Accreditation sub-committee, tells The NLP.

"So digitalisation will give us a central database of facilities. It will allow us to identify areas of non-compliance but, more importantly, look at common areas of non-compliance.

"It's about identifying big issues that can then be linked to funding. I don't want to set any hares running but, as an example, if we found there were high numbers of perimeter fencing

not compliant for whatever reason, that enables a business case to be put together to talk to funding partners like the Premier League Stadium Fund and say: There is a common need here. Let's look at whether we should focus some funding on the bigger problems club face.

"It is not there as a bigger stick to beat clubs with. It's to bring transparency and also ensure impartiality."

That and consistency are key. Previously, grading at Steps One to Four was handled centrally by The FA, with Steps Five and Six overseen by leagues themselves.

Naturally, and understandably, that has led to a variation across the country. Stadium Accreditation assessors – 25 of them all trained together – are now undertaking the mammoth task to visit around 820 individual National League System grounds.

As part of this year one assessment, at least 400 individual items at each stadium are being recorded — of those, 160 linked to the ground grading criteria for 2023-24.

There are nine sections to be filled in by the assessor, accompanied by a league observer. It starts with general information like ground details and who uses the pitch. Then entrances and exits, clubhouse details, how big is the clubhouse and how many can it hold. Spectator information and capacities, standing and seating. Others areas include Medical & Safety, Pitch & Floodlights, Transport & Parking, Media & Broadcast.

With the app, photos and videos can now be taken and instantly uploaded to give a literal picture of what each ground has.

**More in Monday's programme for the match against London Samurai Rovers.**
