# FROM THE MANAGER

**Welcome to Shefford Town & Campton Reserves for this Bedfordshire County League Premier Division match along with the referee Scott Burnside.**

Following on from some impressive wins, our last home game saw us take on Queens Park Crescents. This was always going to be a tough and competitive game but we were full of confidence and went into the fixture in high spirits. This was shown when, just before the half-hour mark, Dan Bennett slotted home to make it 1-0.

Unfortunately, we were not in front for long as a small lapse in concentration meant Queens Park equalised just a few minutes later. Overall, it was a solid first-half performance, knowing we needed to up our game another gear.

Alex Taylor put us 2-1 up on the hour-mark but again we let ourselves down by allowing Queens Park back into the game almost immediately with what can only be described as a fluke goal from their defender inside his own half. We can't dwell on this, it happened. We just need to put it behind us and take all positives from the game.

Last weekend's game was away to Stotfold Development, a side currently top of the league and in very good form. Unfortunately I was very unwell and wasn't able to make the game. The feedback I did get from the game was of a mammoth effort from everyone. However, Stotfold scored on the stroke of half-time and this knocked the wind from the sails as the hosts scored two more just into the second half. I would like to say a massive thank you to Mark Fields, who kindly stepped in.

## VISITING GOLD STREET

### ***SHEFFORD TOWN & CAMPTON RESERVES***

It has been a difficult season for Shefford Town & Campton Reserves in the Bedfordshire County League Premier Division.

They are currently second from bottom in the table, having won only two of their games.

Their two successes came against bottom side AFC Kempston Town Hammers, a 5-4 away win and Biggleswade FC Reserves, where they clinched a 5-2 home victory.

The triumph over Biggleswade FC Reserves

was their last League win and came on 14th October.

Shefford Town & Campton Reserves have had some cup successes, including the Britannia Cup where they knocked out Riseley Sports in a penalty-mark competition after a 2-2 draw.

# BEDFORDSHIRE COUNTY LEAGUE ROUND-UP

## Sharnbrook have withdrawn from the Bedfordshire County League Premier Division.

The Lodge Road side issued a statement on its X site, formerly Twitter, on 7th February as follows: 'We can confirm today we have withdrawn the first team from the Bedfordshire County League Premier Division.

'Unfortunately, it is no longer possible trying to keep the side going. We have had an excellent group of lads over the last four or five seasons and enjoyed some great battles against many sides during those years.

'We pass on our thanks to all the volunteers and players etc who have given up countless hours to make these years a success. Hopefully we will not be away for too long but time will tell.'

There had been a hint Sharnbrook were facing difficulties as it was admitted on X they could only field a minimal squad at home to AFC Oakley on 3rd February when they suffered a 2-0 defeat.

Sharnbrook were towards the bottom of the Premier Division but had games in hand over some of its closest rivals. Last season they reached the final of the Britannia Cup but went down to Elstow Abbey in a close game.

Sharnbrook are expected to continue with the side that is in the Bedfordshire County League Division Two North.

□ The biggest result of last weekend saw Crawley Green Reserves defeat AFC Kempston Town Hammers 12-0 away with Temitayo Akerle bagging four goals with two each for Caylon Wade and Ryan Smith.

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit [www.thenonleaguefootballpaper.com/subscriptions](http://www.thenonleaguefootballpaper.com/subscriptions)

**The role of a non-league football club chairman is an unforgiving one at the best of times.**

Making sure the manager is happy, the fans are satisfied and the hard-working staff or volunteers have got all they need, it's all about keeping the ship sailing on the right course.

Well, for Oldham Athletic chairman Frank Rothwell that has quite literally been the case.

By the time you read this, the 73-year-old – yes SEVENTY THREE – should have completed his epic row across the Atlantic Ocean from the Canary Islands to Antigua.

It's all to raise money for Alzheimer's Research UK – as he told The NLP last week, while stranded 400 miles off the Antigua coast waiting for change in the weather!

"We've had terrible conditions for ocean rowing," Rothwell reported back. "Three years ago, I completed this journey in 56 days. This time I expected to finish in 49 days but we're now on day 51 and I've still got 400 miles to go. I'm going backwards now because the wind has changed direction and is blowing me the wrong way. I'm in a big current which is very contrary to the direction I was going, which is a bit of a pain."

Indeed, it's been far from an easy ride for the Latics chief, who has lost personal items at sea, capsized no fewer than three times and suffered both nausea and motion sickness.

However, for a man who left school aged 14 to repair tractors, then built a multi-million-pound business, has overcome prostate cancer and rescued his hometown club Oldham from bankruptcy after their relegation from the Football League in July 2022, he will not let these problems deter him.

"It's hard on the body, and really hard on the mind, particularly when you start going backwards," he adds. "The boat has rolled over three times! Hopefully the wind will change, but at the moment I'm 400 miles from Antigua sat here on an anchor. I throw a parachute and 100m of rope in the sea that holds the boat in this position against the sea."

It's in those moments Rothwell can think of the difference he is making in undertaking his mission. He is raising money for Alzheimer's Research UK in their bid to fund research to combat dementia.

It's a cause close to Rothwell's heart having lost his best friend, brother-in-law, and several close friends and relatives to dementia in recent years.

Last year, he raised £1.1 million and has so far collected £220,000 of his £1 million target with the football club backing his bid from the confines of Boundary Park.

"Dementia is becoming far more prevalent as we're becoming older nations," Rothwell explained. "I'm 73 and rowing an ocean solo at an age where our parents' generation died, so more people are living to old age and catching dementia."

"My best friend Phil died of Alzheimer's, my brother-in-law Roger died when I was at sea last time, there's five people in the last four years who are friends or relatives who have died from it. There's more people dying of dementia than of any other disease in the UK, we all want to do some good if we can do for a cause."
