WELCOME TO THE DAILY GRUNCH

The online Daily Grunch celebrated its third anniversary on 12th April after replacing the printed Rural Grunch, which ceased to exist when Prime Minister Boris Johnson announced the first Covid-19 Lockdown on 23rd March 2020.

The Daily Grunch has allowed us to offer greater coverage for our readers especially as we aim to update on a daily basis - now for at least 300 issues per annum.

We are now able to covering a wider area and include most of the villages in the North-East Bedfordshire constituency.

Some people enquire about the old Rural Grunch but unfortunately it would not have been able to continue on a viable basis particularly with the constraints imposed because of Covid-19.

There have been favourable comments for The Daily Grunch especially with the type of coverage we can now offer.

However, we will not be able to ascertain how successful the change will be until next summer.

This is because we will not be at full capacity until then because most of the community events that we would aim to give full coverage have been cancelled for this summer.

Despite this, we are still able to give extensive sport coverage and we are looking to increase our support for the local theatre world.

We are still aiming to continue to support the local business community by offering competitive advertising in the online magazine.

We have adjusted the pricing to suit an online magazine and these prices appear on this page. And during tier and lockdown periods we have not charged so have given complimentary issues to our loyal advertisers.

We had to suspend production from 27th September to 29th November 2022 due to eye health issues.

Therefore the 300th issue for 2022-23 was reached on 19th June.

TAKE A SHORT CUT BY SUE

Many people are now reading The Daily Grunch but for some it is a new experience.

For a few, it may be too many clicks or you cannot remember the name of the website.

There is a little trick:

Go to the www.grassrootspublications.co.uk Home Page where the link to The Daily Grunch is located. In the top right hand corner of this page you will see 'three vertical dots'. Click on these and you will see a list of options.

Choose 'Add to Home Screen' and you should have an icon for Grassroots Publications in the favourites area or something similar on your device. Then any time you want to access The Daily Grunch you only have to click on this icon to take you to the link.

If you want to find a specific article in The Daily Grunch try this

Ctrl + F to find the subject/word you are looking for. This avoids trying to find the elusive article.

For example: Open The Daily Grunch – Press **Ctrl + F** which will open a small box, Type in the box the topic/number you are looking for. Say for example - 'Riseley'.

You will find 16 entries in the 27th October.2020 edition.

GRUNCH OPINION

Village halls have been an integral part of our communities for many years.

However, their future is being brought into question.

In a local church magazine, there is a plea to save Sharnbrook Village Hall - more volunteers are needed.

Sharnbrook is an interesting case for their village hall sits only metres away from two other community venues.

The Sports and Social Club is a popular one with a full time bar while the Bowls Club has a relatively new hall, which can double up as a community premises.

Two established Trustee volunteers at Renhold Village Hall stepped down from their roles last summer. Their caretaker replacement lasted only 10 months in the job so the Hall is again looking to fill the vacancy. Like Sharnbrook, there are other community spaces that can be hired out including at Renhold Church and Renhold Chapel.

and dinner dances while people are generally too busy or have their own personal issues to carry out duties voluntarily or with minimum pay.

Some villages appear to use their halls to good effect and have a good infrastructure in place.

Keysoe regularly have social events at their venue including a monthly Friday evening bar.

During the past winter, a monthly breakfast has been held while there is also regular entertainment evenings, the latest being musician Paul McClure.

Riseley has a popular village hall set-up, which also hosts the local football team. However, this village has a newly established community hub that is linked to the HP Motors complex that now also includes an excellent cafe.

What is the future of our village hall?

DEAN DUCK DASH

Crowds flocked to the Bridge at Upper Dean to witness the annual Dean Duck Dash.

Organised by the Eileen Wade Primary School Parents Association, the big event went ahead as scheduled despite recent heavy rain.

Around 2000 yellow plastic ducks made their way down

the brook, which was deep in places.

This did not deter youngsters from entering the brook to greet the ducks.

After the race, there was a fete and prize giving at the School in the High Street.

Plenty of Dean Duck Dash

souvenirs were available for sale throughout the day.

The Dash attracted plenty of national and local sponsorship including Northampton Saints Rugby Club and Riseley-based Sporting Targets.

GRUNCH RECIPES

OUR FAVOURITES

Eggs Benedict

Gordon Ramsay - BBC Good Food App

3tbsp white wine vinegar
4 eggs
2 toasting muffins
4 parma ham or cooked bacon

For The Hollandaise Sauce

125g butter
2 egg yolks
½ tsp white wine vinegar or tarragon vinegar
squeeze of lemon juice
pinch of cayenne pepper

Method

□ Bring a deep saucepan of water to the boil (at least 2 litres) and add 3tbsp of white wine vinegar. Lower the heat to a gentle simmer. Break the eggs into four separate coffee cups or ramekins. Split the muffins and toast them for a few minutes either side and warm some plates.

To make the Hollandaise Sauce

□ Put the egg yolks, white wine or tarragon vinegar, a pinch of salt and a splash of ice cold water in a metal or glass bowl that will fit over a small pan.

□ Whisk for a few minutes then put the bowl over a pan of barely water and whisk continuously until pale and thick - about 3-5 minutes. Remove from the heat and slowly whisk in the melted butter bit by bit until it is all incorporated and you have a creamy hollandaise. Season with lemon juice and cayenne pepper.

□ For the Eggs Benedict, swirl the simmering vinegared water briskly and slide in an egg. It will curl around to a neat round shape. Cook for 2-3 minutes and repeat with the other eggs.

o To serve spread sauce on muffins, place ham or bacon and egg, spoon over remaining sauce.

FOCUS ON NORTH BEDS RAMBLERS

Have you ever wondered about the bright yellow topped way makers you might encounter on a walk in the Bedfordshire Countryside? How do they get their yellow paint, how do they get into position, what happens when you see one that is either rotten or broken?

Not all counties have yellow topped way markers – certainly none of our northern neighbours do, but if you are a regular walker, you may well be aware that they are so much easier to spot than just a plain post. As part of North Beds Ramblers, we are well used to scanning the horizon for our yellow friends to confirm that we are heading in the correct direction.

Bedford Borough has over 900km of footpaths, bridleways and byways so imagine how many posts are distributed along those kilometres.

Sadly, wooden posts do not last forever and they need to be replaced. This is down to the work of Bedford Borough's Rights of Way team, who work hand in hand with local landowners and volunteer groups, including the Ramblers, to try to keep our Rights of Way in good order and well-marked.

In the past, posts were supplied to the Council

● The humble waymarker post.

pre-painted but a few years ago that stopped and in stepped the local Ramblers. A number of local Ramblers members volunteer for RIPPLE (Repairing & Improving Public Paths for Leisure and Exercise). As part of this activity, we are the first step in preparing posts for deployment.

A small group mark up the posts for painting and apply three coats of paint – two of which are the bright yellow you will be used to searching out. These posts are then taken out to the various localities where more Ramblers volunteers – along with other volunteer groups and landowners 'plant' them in the appropriate positions. Our group of trusty volunteers are in the process of painting the latest batch of 50 posts to bring our total to over 400.

So next time you see a lovely yellow topped post – spare a thought for those who spend their time painting and deploying the posts. If you see one that is broken you can report its location on the Borough website, ideally with a picture on 'Report a problem on a public right of way'. If you would like to get involved, or just walk, please contact North Beds Ramblers on northbedswalks@gmail.com. We don't just paint and deploy posts, but also carry out path clearance, stile repairs and install gates.

FOCUS ON THE VILLAGER BUS

The Villager Bus is run by volunteers for the North Bedfordshire communities. There are scheduled routes each week and it can be hired for outings.

The new bus can take up to 16 passengers including space for one wheelchair user. It has a low floor for easy access and a wheelchair ramp, as well as air conditioning, WiFi and phone charging points.

The Villager Bus provides regular bus services from the North Bedfordshire villages to various destinations, including Olney, Bedford, Milton Keynes, Rushden Lakes and St Ives. Concessionary Bus Passes can be used as well as payment by card or cash. Currently the cost of a single journey to any destination is only £2.

The purchase of the new bus was made possible with the generous support of various sponsors including Bedford Borough Council, the Harpur Trust, The Gale Family Charity Trust, Felmersham and Radwell Community Trust, Wixamtree Trust, The Connolly Foundation and the Christopher H R Reeves Trust.

● The brand new Villager Bus.

The Villager Bus is a service for all, helping everyone to get out to town centres and local supermarkets. It has been run entirely by volunteers since 1987 with the aim of improving the lives of those in the North Beds villages.

The service supports many older people and those with mobility problems who may find it difficult to travel on their own. It's a great opportunity to socialise too! We currently deliver between 250 and 300 passenger journeys a month as well as frequent community hires.

NEWTON BROMSWOLD COWSLIP AND FRITILLARY DAY

● Newton Bromswold celebrated its Cowslip and Fritillary Day with an afternoon tea at St Peter's Church where there was also a plant sale.

5 Fishermen. £53 million of cocaine. An ongoing fight for justice. A tale of our deteriorating coastal communities. An enthralling, poignant and poetic retelling of the infamous Isle of Wight tragedy.

In 2011, five fishermen on the Isle of Wight (Jamie Green, Jon Beere, Daniel Payne, Scott Birtwistle & Zoran Dresic) were sentenced to a total of 104 years for conspiracy to import £53m worth of cocaine. From the voices of ramblers and campaigners to the songs and poetry inspired by past and current struggles, 'Behold Ye Ramblers' is a new play about The Clarion newspaper and the organisations formed by its readership, including the famous rambling club - The Sheffield Clarion Ramblers.

Along with the Clarion Cyclists, these early Edwardian pioneers promoted healthy outdoor pursuits, organising expeditions across open moors and mountains whilst campaigning for the right to roam, bringing them into conflict with landowners' hunting and shooting activities and laws that prioritised private property over the wellbeing of others.
