## LEGENDS 3, OLD BOYS 2

**The Legends opened the scoring and clinched the winner with just five minutes remaining to lift the Sharnbrook Memorial Trophy.**

The special match at Sharnbrook Football Club on Sunday 14th April was in memory of two of its legendary members Mark Singleton and Nick Cook.

Nick Cook's Old Boys were wearing the traditional Sharnbrook FC colours while the Legends were resplendent in their gold shirts.

After the Minute's Silence, the match was played in a competitive spirit and the Old Boys quickly showed their poise on the ball.

Possibly against the run of play, the Legends took the early lead but it was no surprise that the Old Boys first equalised then took a 2-1 lead. However, the Legends refused to lie down and fought back to make it 2-2 then added the dramatic winner.

On such a special day, two of the Legends' goals came from Mark Singleton's sons Ben and Neil with the former claiming his strike was a real pearler. The other effort was netted by Andy Wood.

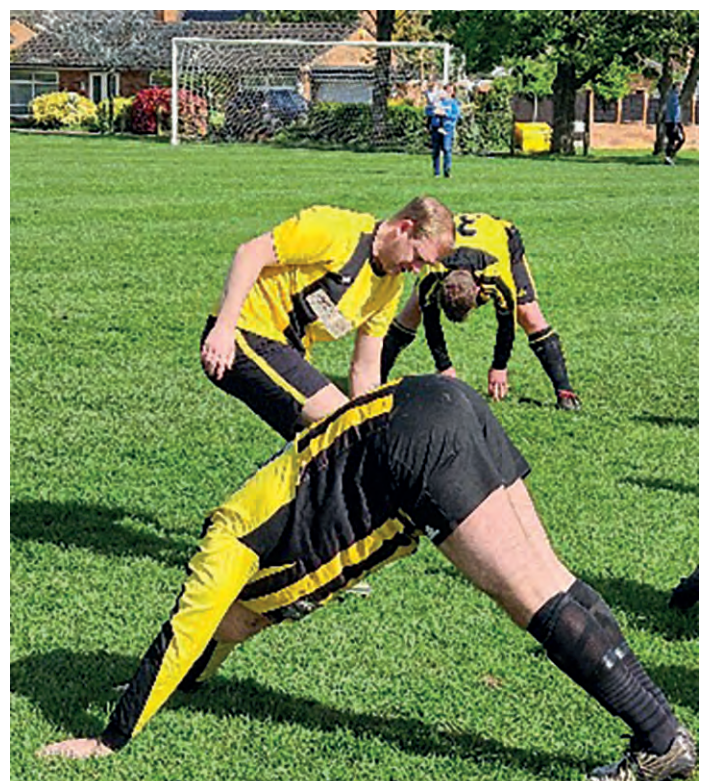

Among the Old Boys scorers was Tom Capper but the other one is something of an Agatha Christie mystery. No one seemed to know who dunnit.

The match was the highlight of the day's activities while there was also a fine social occasion at the Sharnbrook Sports and Social Club with plenty of food and liquid refreshment being provided. And there was the ice cream van.

Plenty of support was given to the event, which was raising money for Parkinsons UK and Cancer Research UK.

This included plenty of prizes for the raffle while the Auction of Promises included such items as goalkeeper Neville Southall memorabilia.

There was also a signed Cambridge United shirt and a Tottenham Hotsour football.
